

Reframing Reputations

For:

Contributors:

What is the reputation? _____

1. Are there ever circumstances where this can be positive? If yes, what is it called?

2. Does the “behavior” demonstrate or reflect something that is *important* to the person?

3. If the “behavior” truly is negative, what is the support strategy?

Then ask...

Given what we have learned:

1. Are there things that are present in the person’s life that need to change?
E.G .How the person lives; what the person is asked to do; who the person lives with?
2. Are there things that we need to do differently?
I.E. How the person is supported?
